

The K. Michaels Band

Horn-Based Classic Rock

Featuring
music of the band
Chicago

The Beatles, The Doobie Brothers, The Guess Who, The Grass Roots, Joe Cocker and more!

The K. Michaels Band is a seven-piece Classic Rock Horn Band featuring the music of the band Chicago's early years. In addition to honoring the band Chicago, The K. Michaels Band also covers The Beatles, The Doobie Brothers, The Grass Roots, Joe Cocker, Lighthouse and many others.

The band's use of four lead vocalists keeps things fresh and allows for nicely blended background harmonies. This, combined with tight rhythm and an outstanding horn section provides for a great musical experience.

Most of the members of The K. Michaels Band are not only band mates but also long time friends, two of which are Chicago firefighters.

Over the years The K. Michaels Band has overwhelmingly satisfied their clients by providing top quality entertainment, using top quality equipment and providing a personal touch to the business end of things, all while keeping their performance rates extremely reasonable.

Important to add is that The K. Michaels Band is "family friendly". Their shows have been well received by people of all ages. Visit our Website for more info and demos.
